From

K. MATTHAN, Esq., B. A.,

Food Controller and Director of Civil Supplies in Mysore.

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to Government of Mysore,

B A N G A L O R E.

Sir,

I have the honour to enclose a Memo regarding arrangements made for the sale of Mysore Mill rice (2nd sort) in the Mysore District (pending receipt of supplies of Burma rice), and to request sanction of Government to the sale of the rice to the general public in small quantities at the rate of 5 seers a rupee.

2. The rice has cost Government Rs. 12-12-0 per palla in the Mills. Including depot charges and dryage the cost at the depot at Mysore may be about Rs. 14-8-0 per palla. The rate of 5 seers a rupee is equivalent to Rs. 20/- per palla, but Government has to bear the cost of transport to distant places like Heggaddevankote and Nagamangala. It is also possible that the Mills may claim some compensation on account of the great difference between the market rate and their contract rate. More than all this it is found in actual working that placing rice on the market at rates very much cheaper than the market rate leads to undesirable results while if the rate is only slightly lower than the market rate it has the effect of lowering the market rate. As the market price of Mysore rice is now 4 to 4½ seers a rupee in most Taluks of this District, I think the rate of 5 seers a rupee would be suitable.

I have the honour to be,
Sir,
Your most obedient servant

Food Controller & Director

Sale of Burma rice in the Mysore District.

The Deputy Commissioner has asked for Burma rice being supplied to all Taluks for being sold through Taluk Depots. One hundred bags have been already sent to the Chamrajnagar Taluk, and it is learned that only about 15 pallas have so far been sold. Similar supplies will be sent to all other Talukes as soon as the April allotment arrives. In the meantime to meet possible demand arrangements have been made to send 100 pallas of second sort mill rice to each of the following Taluks:--

(1) Mysore, (2) Hunsur. (3) Heggaddevankote. (4) Gundlupet. 5) Nanjangud. (6) Malavalli. (7) Mandya. (8) French Rocks. 9) Nagamangala. and (10) Krishnarajpet.

The necessary stock (1,000 pallas) has been transferred to the Deputy Commissioner. The Deputy Commissioner does not want any rice to be sent to Yedatore, Seringapatam, and T.Naripur for the present.

The rice may be sold to the general public (in quantities not exceeding one rupee's worth at a timeto an individual) at seers a rupee and to indigent persons (as per lists to be approved by the Deputy Commissioner) at 6 seers a rupee.

The entertainment of the necessary staff not exceeding Rs. 30/- a month has been sanctioned by Government for Taluk Depots. It is understood that it will not be necessary in any Taluk to incur expenditure for Go-down rent, A clerk on a pay not exceeding Rs. 20/- per month and measurer on a pay not exceeding Rs. 10/- per month may be appointed for each Depot. Expenditure on account of carthire, freight and other incidental items may be incurred by the Deputy Commissioner out of Food Supply Advances held by him and finally debited to the Food Controller.

The realisations by sale in depots may be remitted once a week to the Food Controller by Remittance Transfer Receipt.

In continuation of my No. C. 457 dated 29th April 1919 reporting the arrangements made for the sale of Mysore Mill rice (2nd sort) in the Mysore District, I have the honor to submit - for the information of Government, copy of a letter I have -- addressed to the Deputy Commissioner Mysore District, on the subject of selling some bags of rice attacked by weevils after getting the same cleaned or at slightly cheaper rates. I request that the action taken by me may kindly be approved.

Letter No. 7930 dated 2nd May 1919 from the Food Controller and Director of Civil Supplies in Mysore, Bangalore to the Deputy Commissioner Mysore District Mysore.

I understand that some bags of Mysore rice which are being sent from the Mysore Provincial Depot to the several taluks in your District have been attacked by weevils. I request you to be so good as to issue instructions to the Amildars either to get all such rice cleaned and sell the cleaned rice at 5 seers a rupee, or if this is not possible to sell the uncleaned rice at a slightly cheaper rate--say 5¼ seers a rupee. The arrangement actually made may be kindly intimated.
